GOVERNMENT OF INDIA  
MINISTRY OF COMMERCE  
PUBLIC NOTICE

IMPORT TRADE CONTROL

New Delhi, the 16th December 1949

SUBJECT:—Imports of Virgin Metals from Japan

No. 1(30)-ITC/49.—Applications are invited for licences for import of virgin metals such as Copper, Lead and Zinc and non-ferrous metal scraps (falling under Part I of the I.T.C. Schedule), from Japan, from actual users and established importers only for January-June, 1950 period.

2. Actual users should submit along with their applications details of their manufacturing activities and figures of their consumption of the metal concerned during the years 1948 and 1949 and also estimates of consumption during the first half of 1950. Applications from actual users should preferably be supported by certificates from the Provincial Director of Industries about their manufacturing activities and estimates of consumption. When such a certificate from the Director General of Industry and Supply, New Delhi, is furnished, none from the Provincial Director of Industries need be forwarded.

3. Licences issued on Japan will be valid upto 30th June, 1950. No revalidation of these licences will be permitted.

4. As regards established importers, they should furnish figures of past imports during any one financial year which they may choose, between the years 1937-38 to 1948-49, supported by necessary documentary evidence.

5. Subject to what is stated above, the general conditions embodied in the Commerce Ministry Public Notice of the 12th September, 1949, laying down the principles governing the issue of import licences for July-December, 1949, period would be applicable in respect of these cases.

6. The last date for the receipt of all applications will be 25th January, 1950.

7. The general Public Notice regarding applications for non-ferrous metals from all sources will be published separately.

S. JAGANNATHAN, Joint Secy.
